CRYPTTEC - Home. Category:Data securityQ: How
can I view all results of a table for all projects? How

can I view all results of a table for all projects? I have many projects and many jobs. I'd like to see which results are associated with which project. A: In the current version (1.4.1) there is no way to combine data from many projects into one table view. Each of the projects is still a separate view. There's nothing you can do about that. Your best bet is to create a view in a way that combines data from multiple projects (or at least multiple job ids). You can use the new SQL-like CREATE VIEW query to get started.

```
create view merged_job_id_results as select job_id ,  
job_number , timestamp , job_type , project_id ,  
result_id , result_number , result , result_status ,  
result_description , job_status , job_operation
```

Terrell-Franklin and McMillin are revealed as 2016 inductees By Tim Johnson YUMA, Ariz. (BRAIN) —

The Ford C4SS Young Veterans Council has announced that legendary racer Duane McMillin and Terrell Franklin will be honored as its 2016 inductees. McMillin will be inducted during a reception at Drag

City on Oct. 26, and Franklin will receive his induction as part of the program that will be held at the same location Oct. 27. The “Southern” was named to the C4SS roster after a long career that included championships in the AMA Formula F Modified Series and the late and legendary NASCAR

Craftsman Truck Series. McMillin also had a memorable year at the 1971 Southern 500, where he won a first round over Richard Childress and Terry Labonte. “Duane is a guy who always takes a win on the line,” said Rob Cole, president of the C4SS. “He was the young gunslinger back in the day, and now that he’s more mature, he’s become more successful. We are honored to have him on our team.” Franklin, one of the more exciting drivers of the 1970s, raced for years in the Southern, the Pro Touring Series and the NASCAR Pro Stock Touring Series. During his lengthy racing career, Franklin collected four wins, 17 top-five finishes and 35 top-10 finishes in NASCAR competition. He recorded two finishes of fifth in the 1970 and ’71 Southern 500 races. “It’s a thrill for us to have an inductee on our team,” said Cole. “Terrell Franklin is the type of racer you like to have around,

and his professionalism was off the charts.” The induction ceremony will start at 4 p.m. Oct. 26, and the formal program will begin at 5 p.m. Oct. 27. There will be awards given for fan voting, but the most prestigious award is reserved for the inductee, who will receive a 2d92ce491b
